ORDER

On July 28, 2017, Atmos Energy Corporation ("Atmos") filed an application to revise its Pipeline Replacement Program ("PRP") rates, effective for the 12-month period beginning October 1, 2017. The Commission found that further proceedings were necessary to determine its reasonableness, and the proposed tariff was suspended up to and including March 1, 2018. On August 31, 2017, the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention ("Attorney General"), filed a Motion for Leave to File Data Requests ("Motion for Leave"). The Attorney General states that he intends to put forward only one set of data requests, which are limited in scope and are included with the Attorney General's Motion for Leave, and that Atmos has no objection to his Motion for Leave.

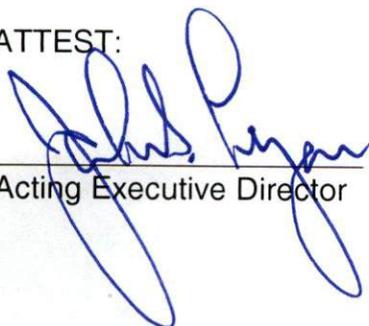

IT IS THEREFORE ORDERED that:

1. The Attorney General's Motion for Leave is granted.
2. Atmos shall file its responses to the Attorney General's data requests within ten days of the date of this Order.
